

## BNY MELLON

POSITION: Money Market Sr. Trader  
Location: New York, NY  
Req #: 1004894

As one of the world's leading financial services organizations, BNY Mellon recognizes the importance of a competitive benefits plan as part of your total compensation. That's why we offer a comprehensive, customizable benefits program to meet the needs of our diverse work force. Benefits include high quality medical and dental plans including orthodontic coverage, vision, life and disability insurance, flexible spending accounts, retirement plans that include an attractive 401k match and a company funded pension plan, generous tuition assistance and other work/life programs.

BNY Mellon is committed to Equal Employment Opportunity in providing all individuals interested in expressing interest in employment with us the opportunity to participate without barriers.

Responsible, under direction, for executing purchases and sales of fixed-income securities authorized by portfolio managers, Senior Traders, or the Head of Fixed-Income Trading. Develops and maintains relationships with securities dealers. Provides portfolio managers with ongoing information about market sentiment and trading environment.

Typically has 2 to 5 years of trading experience. Less experience and more limited knowledge of fixed income securities and their markets than Senior Traders.
